

# THE AUGUSTANA ATHLETIC COMPLEX

In the most dynamic expansion in the history of Augustana athletics, the College completed three outstanding new facilities over the past fiscal year: Kirkeby-Over Stadium, the Augustana Soccer Field, and the Huether Tennis Centre. Seventy-five generous donors provided gifts and sponsorships in support of these projects.

## ***KIRKEBY-OVER STADIUM***

Opening on September 5, Kirkeby-Over Stadium was full of Viking pride and over 6,000 excited fans when Augustana defeated Emporia State University. The stadium was made possible by a \$6.1 million lead gift from Bob and Kari '69 Hall along with contributions and sponsorships from 40 additional donors.

Kirkeby-Over Stadium features seating for 6,000 (1,300 of which are chair back seats), state-of-the-art FieldTurf playing surface, and a 67' x 48' Daktronics HD-ready video scoreboard. The field is recessed six feet with grass berms on each end zone for additional seating. The two-story press box features a media level and a suite level with ten luxury boxes and a 24-seat President's Suite. The visitor's locker room also serves a dual function as the Kirby Golf Center, an indoor practice facility for the Augustana women's and men's golf teams.

### ***AUGUSTANA SOCCER FIELD***

This attractive new field opened on September 19 as the Augustana women's soccer team played Concordia-St. Paul. The grass field is located just east of Grange Avenue, across from the Fellows' Presidential Residence. The field features an underground sprinkler system, a Daktonics score-board and bleacher seating. With additional funding, future plans call for a new entry area with a press box, restrooms and additional seating.

### ***HUETHER TENNIS CENTRE***

The Huether Tennis Centre is the new home for the Augustana men's and women's tennis teams and will also serve Augustana students, staff, and the Sioux Falls community. The beautiful new facility features six championship courts, new entry area, tennis building, lighting and new seating. Mike and Cindy Huether of Sioux Falls provided the lead gift and were joined by 35 additional donors.
