

**SIOUX FALLS SCHOOL DISTRICT 49-5**  
**ASSISTIVE TECHNOLOGY TEAM'S MISSION STATEMENT**

The Assistive Technology Team's mission is to provide the necessary support for students in Special Education to access the curriculum, through the use of appropriate assistive technology equipment and services. The use of assistive technology will enable students to meet individual educational goals and exceed expectations.

Assistive technology services include:

- Consultation
- Evaluation
- Training
- Technical assistance

“Assistive technology device” means any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve functional capabilities of a child with a disability. (IDEA “97)
