Founded in 1860, Augustana is a selective, comprehensive university affiliated with the Lutheran Church. With more than 100 majors, minors and pre-professional programs for undergraduates, along with graduate degree and continuing education programs, the University is committed to enriching lives and fostering development by combining a foundation in the liberal arts with professional skill and advanced study.

The ACT Prep Camp is provided in part with scholarship funds from the Sioux Falls Area Community Foundation.

UNIVERSITY

THE PLACE FOR POSSIBILITIES

WHY YOU SHOULD ATTEND AUGUSTANA'S ACT PREP CAMP:

Don't limit your college choices or scholarship potential! College admission officers agree that the ACT score is considered the second most important factor in the college application process. Improving your score can have a major impact on admission to your choice school — and potential scholarship awards.

Many students decide their scores are "good enough" without realizing their true potential. Depending on your starting score, more points can help you to get into your dream college, expand your program choices and increase your scholarship opportunities.

Augustana University's ACT Prep Camp is designed to help students achieve their best possible score on the ACT. Over the course of four days, students will receive 24 hours of instruction from accredited teachers in each of the key ACT areas: math, science, English, reading, and writing. Students will learn strategies for mastering every section of the college entrance exams.

There's also time for fun — camp attendees will get to experience life on a college campus, located in the heart of South Dakota's largest city. Classes will take place in the new Froiland Science Complex.

Of the students who took the ACT test in June following the 2017 camp, half of them qualified for the Dakota Opportunity Scholarship, which is equal to \$6,500.

SPACE IS LIMITED. The camp's 60-student maximum is designed in order to ensure a 20:1 student/teacher ratio.
