Make Your Student Account Payment in 3 Easy Payments!

Augustana University realizes that educational expenses are easier to budget when spread over monthly payments. As a service to our students and/or their families, Augustana University offers a *Three-Month Payment Plan* to pay annual University costs each semester.

To enroll, simply fill out the agreement below and return it to the Business Office along with your first payment on or before August 15th for the Fall Semester, January 15th for the Spring Semester and May 15th for the Summer Semester.

There are no servicing fees for participating in the *Three-Month Payment Plan*. Interest is charged on the accounts outstanding balance until payment is made in full. Interest payments should be included in monthly payment amounts. A service fee of \$30.00 will be imposed on any returned/refused transactions (i.e. NSF, etc.).

Under the *Three-Month Payment Plan*, the first payment is due on or before the 15th of the month immediately preceding the start of the Semester. The second and third payments are due by the 15th of each of the next two months and include interest charged to date. (September and October for Fall, February and March for Spring and June and July for Summer)
