# AUGUSTANA COLLEGE

## 2010-11 ALUMNI DONATIONS

### Giving to Augustana

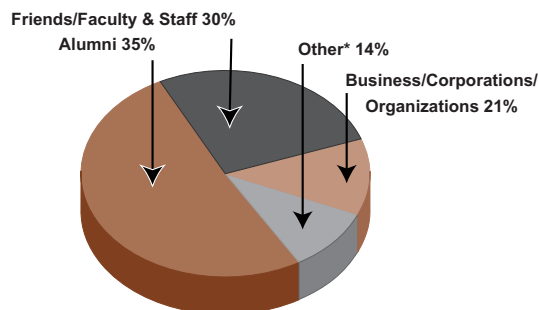

Fiscal year 2010-11 was a year of good news for Augustana. As noted earlier, the year closed with the Momentum Augustana campaign surpassing the half-way point toward raising an unprecedented \$120 million in support of endowment, facilities and annual giving.

Total giving for the year was \$7,859,000. The year produced our second-best performance for the unrestricted annual giving campaign (Augustana Fund) with \$856,000 raised.

Giving to capital projects was \$2,977,000, up from \$2.3 million in FY 2009-10. Endowment giving nearly surpassed the \$2 million mark (\$1.98 million).

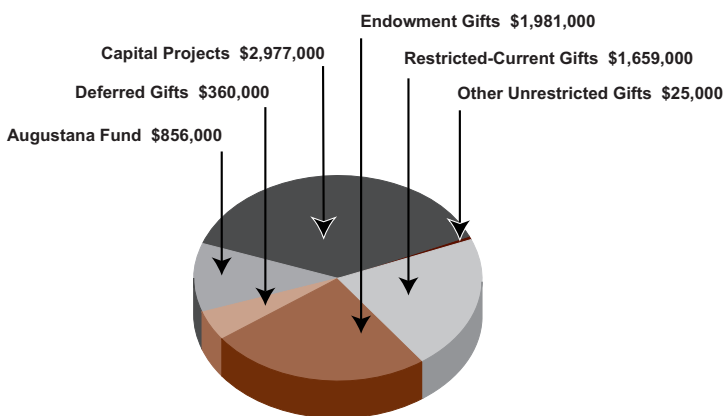

The primary focus for 2011-12 will be to continue major gift fundraising for endowment growth, and in support of the new science laboratories and nursing facility.

### GIFTS BY SOURCE 2010-2011

# AUGUSTANA COLLEGE

## 2010-11 ALUMNI DONATIONS

### Endowment

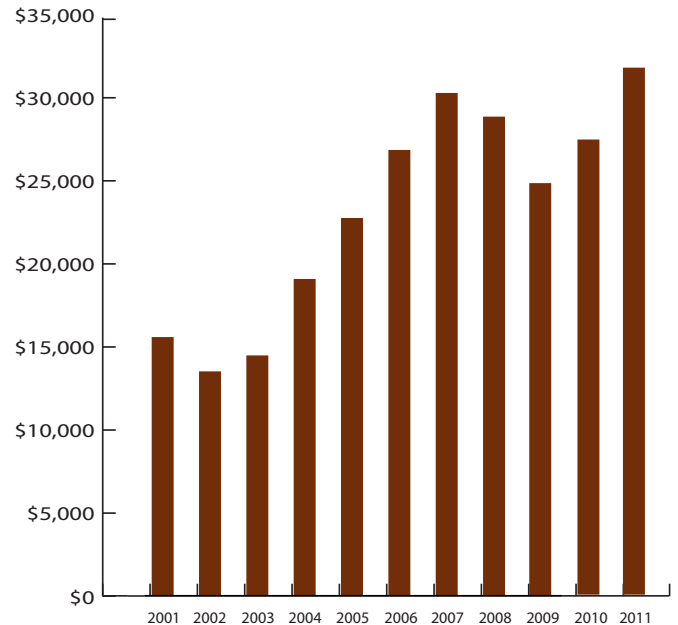

The endowment continued to grow, providing for the long-term benefit of Augustana students and faculty. In FY 2010-11 the endowment grew \$8.6 million, with \$1.981 million in new gifts from donors and \$6.4 million from the 12% return on investments. The gifts and investment returns were offset by \$2.2 million that was drawn from the endowment in support of student scholarships, faculty salaries and program expenditures.

The College has adopted investment and spending policies that provide a stream of funding to programs supported by its endowment, while seeking to maintain the purchasing power of the endowment investments. The Investment Committee of the board of trustees targets a diversified allocation of investments to achieve Augustana's long-term objectives. The College is invested in a portfolio of United States equities (25-30%), non-U.S. equities (25%), fixed instrument bonds (20%) and other assets (25-30%), including real estate.

# AUGUSTANA COLLEGE

## 2010-11 ALUMNI DONATIONS

### Enrollment 2010

Augustana can be very proud of the students who choose to Go Viking. They boldly embrace their college experience and are excited to explore, discover and create. The Class of 2014 (entering at start of FY 2010-11) once again had a strong academic profile. Thirty-one percent were Trustees Scholars (minimum 27 ACT and 3.5 GPA). In addition they possessed a wide range of talents in athletics and the performing and visual arts, showed strong leadership potential, and are dedicated volunteers.

*Because this publication is made available after the start of the new academic year, we are able to provide the following September 2011 data, as well.*

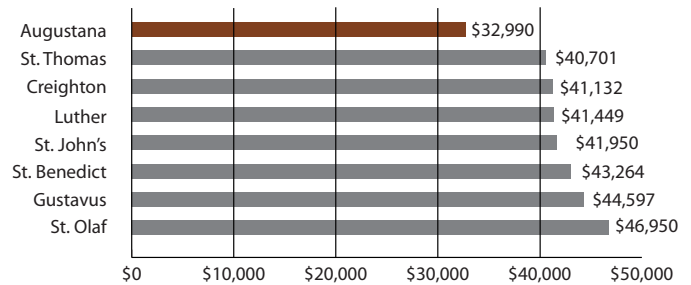

### ENTERING FIRST-YEAR CLASS

	2010-11	2011-12
Average ACT	25.2	25.41
Average GPA	3.63	3.66
Median Class Rank Percentile	81.0	82.3
% Trustee Scholars	31	34
% Alumni Legacy	11	11
% Female/% Male	66/34	60/40
% Lutheran	40	38
% Multicultural	9.5	11.0

South Dakota and Minnesota continue to be home to the majority of our students. Enrollment has been buoyed by our strengthened commitment to international recruiting with 102 students from 34 countries on campus in fall 2011. Thanks to a community-wide commitment to recruitment and retention, the College had a total student enrollment of 1,870 students at the start of the 2011-12 academic year.

Joan Getz (Erickson)	A	Lynda Homa (Gapp)	A

Wade Haboush	A	Judy Johnson	AR
Linda Hart (Hudson)	CR	George Kapplinger	AG
Gary Healy	AL	Enid Kinkead (Questad)	CS
Jean Heibult	A	Arlene Klawiter (Fritz)	BL
Junelle Hengesteg (Hale)	A	Richard Klawiter	BL

### COMPARISON GROUP 2011-2012 TUITION & FEES

The Value Proposition, [augie.edu/value](http://augie.edu/value), continues to be an important component of our messaging. The College remains competitively priced as compared to peer institutions in our region. Augustana is ranked as a "best buy among Midwest baccalaureate colleges" in the most recent *Best Colleges Guide* from *US News & World Report*.

As concerns about our struggling economy continue, public universities remain strong competitors. They tout lower tuition and impressive new facilities. Augustana continues to attract those seeking quality, value and desirable outcomes. Our four-year graduation rates and generous scholarship and grant awards have allowed our students to graduate with indebtedness that is on par with those graduating from publicly funded universities. Our commitment to all of these will be essential to our continued success.

### *Gifts to Augustana Come In Many Shapes and Sizes*

It was the summer of 1960 when returning senior Adeline Bergeron telephoned the Augustana registrar informing the College of her intention to drop out for financial reasons.

The message was shared with one of Adeline's instructors, V.R. Nelson. Professor Nelson knew the effort that Adeline had put into her first three years. He witnessed her passion for learning. He saw her potential to make a difference in the world. In that moment, wedged between what was and what could be, V.R. picked up his telephone and dialed Adeline's home in North Dakota.

V.R. told Adeline that leaving Augustana was not an option. There was work yet to be completed. There was a bright future if only she would consider staying the course. He asked her to "please come back" and told her that he would help make the financial arrangements. Grateful and humbled by the act of generosity, she agreed.

When Adeline arrived weeks later, she met professor Nelson at a bank in downtown Sioux Falls where V.R. arranged for a loan to cover her senior year expenses. Adeline recently shared her story with Mike Flynn, a member of the development office team. "I just want professor Nelson to know how extremely grateful I am, to this day, for what he did for me. My life, my career, I owe so much to him and to Augustana College."

Fast-forward to Sept. 3, 2011 at Augustana's opening football game. Development officer Flynn found emeritus professors V.R. Nelson and his wife, Joyce, sitting at the very top of Kirkey-Over Stadium. He shared the story. What happened next was a magical moment. Smiles. Tears. And then, Joyce leaning over to gently whisper into V.R.'s ear, "See, Ronnie. It's all been worth it."

### *Iver and Esther Eide Create Legacy Gift for Augustana Students*

Many lives are being touched in the memory of Iver and Esther Eide. Their legacy gift of \$1.3 million to Augustana's endowment has offered a significant boost to the current *Momentum Augustana* campaign, and will impact students through scholarships, for years and years to come.

The Iver and Esther Eide Memorial Endowed Scholarship is a wonderful legacy gift, for which Augustana is extremely grateful.

Iver Eide was born in 1904, the third of four sons born to Syneva (Hildahl) and Elias P. Eide on a farm in rural Baltic, SD. His father was a Norwegian immigrant, as were his maternal grandparents. His three brothers were: Ingvald, John, and Palmer. Iver attended the Hilmore Rural School District #39. Iver came to Sioux Falls in 1925 and later attended Augustana, where he graduated in 1931.

Esther was born to Andrew F. Peterson and Albie (Slaback) Peterson at Anoka, MN in 1903. Her father was born in Sweden and her mother's parents were born in Germany. She was the next to the youngest of five children. She graduated from high school in Anoka, MN.

After graduating from Augustana, Iver was accepted into Luther Theological Seminary in St. Paul, MN and into the University of Chicago Law School. However, with money in short supply, the Great Depression forced him to seek employment in sales. Iver was a successful businessman and investor, and was gifted as a public speaker and prolific writer. He enjoyed hunting and fishing, and had acquired a certificate for taxidermy.

As a child and growing up, Esther enjoyed playing the piano and continued to play throughout her life. As a single young lady living in Sioux Falls, Esther attended beauty school. She owned and operated her own beauty shop on North Phillips Avenue, which was named Powder Puff.

Iver and Esther were married in 1938, in Canton, SD. They rented various houses in Sioux Falls prior to building their own home. They had no children. The Eides enjoyed spending time with their relatives, often entertaining and including all the family in holiday and other dinners.

Upon Iver's death in 1972, Esther moved to a rented apartment in Minneapolis, wishing to be close to her siblings. She learned to manage Iver's many investments. After a fall, Esther moved into an assisted living apartment in Bloomington. Here she lived comfortably to the age of 104 years. Esther was keenly interested in government and politics, often outlasting her visitors on discussions of current affairs. She was a gracious lady and wonderful role model for others.

## 2010-11 ALUMNI DONATIONS

### Annual Giving

Near and far, our alumni and friends participate in building the financial support necessary to implement institutional priorities, respond to new challenges and capitalize on emerging opportunities.

The **Augustana Fund** is at the heart of annual giving and provides the flexibility to address unexpected needs, to explore new opportunities, and to remain competitive. The Augustana Fund ensures a critical margin of support for educational costs not funded through tuition.

The **Performing and Visual Arts Fund** supports ongoing operational costs such as equipment, supplies, hall rental, instruments and maintenance, promotion and touring.

The focus of the **Athletic Club** is to help student-athletes achieve success in competition and in the classroom, through memberships, special events and gate receipts.

The **Center for Western Studies** preserves and interprets the history and cultures of the Northern Plains. Membership provides the majority of financial support for the operation of the Center for Western Studies.

The **Augustana Library Associates** strengthens the financial base of the library to promote the expansion of library holdings and services and to enhance opportunities for academic excellence. Additionally, it provides a program of cultural events and continuing education for the benefit of members, the college and the community.

The **Luther House of Study** strengthens Lutheran leadership and ministries throughout the Northern Plains region for the proclamation of the Gospel. The Luther House of Study serves the communities of both current and future ministry professionals as well as regional congregations.
